DEALING WITH FAILURE

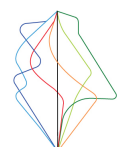

MOTIVATION AND PERSEVERANCE

To develop a growth mindset in students it is important to reflect on failure and dealing with failure. We foster a growth mindset by not praising talent and results in children but by highlighting their focus and struggle for improvement.

MOTIVATION AND PERSEVERANCE

REFLECTION ON HARD WORK

MOTIVATION AND PERSEVERANCE

Students are asked to reflect on the last time they worked very hard and analyse what made them work hard. How did they maybe overcome the feeling to give up and how did they feel when they had persevered? Students should share these reflections in small groups and pick a skill and make a 7-day plan how to practice that skill every day.
